

PRESS RELEASE

April 7, 2005

URANGATANG AIRS FIRST EPISODE IN FLORIDA.

FOR IMMEDIATE RELEASE:

Ocean, New Jersey – Urangatang Web Design, LLC aired the first episode of Urangatang Investigates on Wednesday evening.

The debut show aired at 7 pm on Comcast Cable channel 80 in Naples/Fort Myers, FL. For 30 minutes the show targeted the latest technology news, travel deals, and virus alerts.

The show is geared toward business professionals and travelers, along with consumers looking to buy some hot new products.

Urangatang looks forward to our second episode, which is set to air on April 20, 2005 at 7 pm.

Urangatang Investigates will be available in any market. If you are a television broadcast station wishing to receive a demo or would like more information on how to obtain the rights to air the show, please contact us.

Urangatang is a web design company that strives for excellence. Affordable website design for any business or organization.
